Steam iron
220 V

RI2920/02

Highlights

2000 Watt

2000 Watt enables constant high steam output.

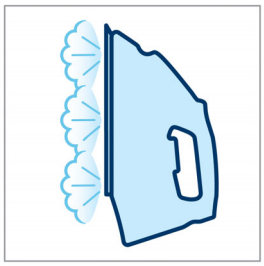
Up to 30 g/min of steam

Continuous steam up to 30 g/min for better crease removal.

Steam boost up to 90 g

Applying steam boost will release a steam shot up to 90g to remove even the toughest creases

Vertical steam



This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.
